Notes from the Principal, Ms. Morgan:

Thank you so much for attending student conferences. Our teachers work so hard to prepare for this, and are so excited to discuss students with you. When asked for a summary of those nights, everyone states how wonderful it is to connect with you about student learning. Thank you for being our partners!

A big shout out to PTA and those folks who fed our team over these two nights. It is such a gift to be able to gather and enjoy delicious food prepared just for us. Thank you, you are appreciated!

I hosted our first Coffee Talk this week. While we didn't have a huge turnout, there was mighty conversation with those who came. I hope to host another one soon. It's great to meet you and hear about your thoughts for our community. Stay tuned.

Please join us next week at Accountability/PTA. I will be sharing our Unified Improvement Plan at a Glance and seeking feedback on your vision for students. See you there.

Have a great weekend!

At a special meeting of the Jeffco Public Schools Board of Education on August 23, the board decided to place two initiatives on the 2018 ballot:

- A **mill levy override** that would provide financial resources to support operations directly related to student learning and success
- A **bond** that would enable needed upgrades to our facilities

If the ballot items pass, Ute Meadows would receive about **\$1,009,038** in facilities improvements from the bond, plus more funding for teachers/staff from the mill levy override. Please click on the link below for more information.

WELCOME 5TH & 6TH GRADERS

— REGISTER NOW —

colorado
SKI COUNTRY USA

Dear Educators,

Registration for the 5th and 6th Grade Passport Program is available to your students today.

What is the Passport Program? 5th grade students receive 66 days of skiing or riding at participating member ski areas absolutely free, just for signing up. It is that easy! The 6th Grade

Passport Program provides 88 days of skiing or riding at participating member ski areas for just \$105 (price subject to change during the season).

How can you help? We ask that you help us spread the word about this incredible program by distributing the registration brochures to your 5th grade students. These brochures, which were mailed in mid-September, help explain the program and the registration process. Each brochure contains a unique registration code for a smooth sign up process for parents or guardians. If you did not receive the brochures or need additional copies, we can send more your way. Simply contact us at passport@coloradoski.com or call 303.866.9707 and we will be happy to assist. We are also able to provide Spanish language materials upon request.

Please note: Parents or guardians do not need the registration brochure to register their student. Registration can be started at any time by visiting coloradoski.com/passport.

Other program benefits: Every registered pass holder receives one free junior ski or snowboard rental provided by Christy Sports. They might even win an equipment package provided by HEAD. Students that have never skied nor snowboarded may also qualify for a free beginner lesson and rental from one of the participating resorts.

Do you send email communications or newsletters to parents? If so, please share the following:

Colorado Ski Country USA believes that every student should have the opportunity to learn Colorado's signature winter sports, skiing and snowboarding. That is why for 20 years the CSCUSA Passport Program has helped thousands of students hit the slopes every year. Make sure your student does not miss out on the fun and sign up today! The quickest and easiest way to sign up for the 5th and 6th Grade Passport Programs is online at coloradoski.com/passport.

Thanks for your assistance in helping Colorado Ski Country promote this great product. If there are any additional questions you have or information we can provide you, don't hesitate to contact us at passport@coloradoski.com or by calling 303.866.9707.

See you on the slopes!
